

# Pleasant Hill

Are bees allowed? Yes, per zoning

Residential districts have no code prohibiting bee keeping

Agriculture zoning districts permit apiculture (see citation below or visit [http://www.amlegal.com/codes/client/pleasant-hill\\_ia/](http://www.amlegal.com/codes/client/pleasant-hill_ia/))

See Additional Notes

165.03.5 Zoning Definitions

“Agriculture” means the use of land for agricultural purposes, including those forms of animal husbandry, apiculture....

Nuisance: Could be filed but would need good cause.

Additional Notes: Recently annexed land is zoned agriculture by default until reconsidered.
